Re: Visitor Profile Survey Agreement

The Visitor Profile Survey agreement expires on May 31st of this year. Our contract agreement with the vendor, Prange & O'Hearn's Insights, Inc., allows for an additional two (2) year extension under the same terms and conditions, upon mutual consent of the parties, and subject to the negotiation of monetary terms.

I have contacted Insights, Inc. to discuss exercising the two year contract extension option. Insights, Inc. has expressed their consent to a two year extension, under the same terms and conditions, with a nominal increase in compensation.

Given the rising cost of conducting the contracted interviews, Insights, Inc. has requested an increased compensation of \$1.00 per completed interview. This equates to \$3,000 per year. The allowance for monthly expenses would remain unchanged. The total increase, therefore, would be 5% over the 2003 contracted compensation. This suggested increase falls below the CPI increase for the same time period; approximately 8% from 2003 to 2005.

Insights, Inc. has been supplying the Visitor Profile Survey for us since 1996 and has done an excellent job. Insights, Inc. has also contracted with us on several other surveys, and has consistently met or exceeded our service expectations. For these reasons, and given the below CPI requested compensation increase, I recommend the TDC exercise our option to extend the contract for an additional two years with an increased compensation of \$1.00 per survey.

VISITOR PROFILE SURVEY AGREEMENT
